

ESCAPE 30

Escape 30 is the perfect all-rounder that combines protection and an open space with all necessary amenities compiled in just 30ft. The clever deck layout and pioneering solutions provide the functionality of a 40 ft experience in a compact power cruiser with cabin and toilet with full standing height, tanning space and hard-top protected kitchen and dining areas. Escape 30 provides the modern 30ft open powerboat layout into a more compact and sporty size offering the ultimate speed and raw performance.

STARTING PRICE

169 900 €

RAND

BRIEF INTRODUCTION

General: With ability to accommodate 12 people, the boat consists of 5 areas, the bow area, the aft triple sun lounge and the dining area including the captains' helm position with flip-over pilot backrest and a overnight cabin and toilet.

Hard top: A modern T-top with build in windscreen provides more protection for the passengers, which makes your plans bulletproof against an unexpected weather change and the possibility to completely close of the seating and helm means that you can continue if the weather turns bad.

Uncompromising space: Escape 30 provides the modern 30ft open powerboat layout into a more compact and sporty size that can even be trailered, creating a unique multi-use open space with walk-around cockpit that grants easy access around the boat that is protected by a XL fenderlist.

Triple aft sun lounge: The triple aft sun lounge and large swim platform is an open invitation to enjoy the sea. Providing a remarkable queen size three-man bed with the perfect view of the horizon, the aft sun lounge invites for a dip or a moment of relaxation on the sun.
